NACHI CLASS
I STARTED WORK FIRST, BUT NACHI WAS COMPLETED EARLIER.
WHY WAS THERE A DIFFERENT NAME GIVEN?
IN ADDITION TO SERVING WITH NAGATO-SAN AS A ROYAL SHIP...
AND AT THE NAVAL REVIEW, SHE WAS SHOWN OFF AS THE FIRST DOMESTIC 10,000 TON MODEL HEAVY CRUISER,
Awawa wawa- wa please stop!
SHE WAS SO WONDERFUL, IT MADE ME WANT TO CALL HER NACHI-NEESAN.
SHE'S ALWAYS THE ONE TEASING US SO IT'S ALRIGHT FOR HER TO BE ON THE RECEIVING END ONCE IN A WHILE.
YOU'RE NOT GOING TO STOP HER?
AND MYOUKOU-NEESAN IS ENJOYING HERSELF, SO I DON'T SEE A REASON TO.
RANGERS
You just look like a team, that's all!
WE'VE BEEN CALLED THE NACHI SQUADRON, BUT I'M NOT SURE ABOUT THAT NAME.
MYOUKOU RANGERS...?
Nachi Rangers sounds pretty good too, but you're the Myoukou class
Not that...
Yeah, I guess.. doesn't roll of the tongue too well.
MYOUKOU-NEESAN, PLEASE SAY SOMETHING...

ME TOO!
IF SHE'S FINE WITH IT, THEN SO AM I.
